NOTIFICATION.

No. 368.

The 2nd November 1888.

THE subjoined annual account and report of the Road Fund, Chittagong Hill Tracts, for the cess year 1887-88, from 1st April 1887 to 31st March 1888, are published for general information.

W. CONNAN,

Under-Secy. to the Govt. of Bengal, P. W. Dept.

No. 212R, dated Rangamati, the 20th June 1888.

From—L. R. FORBES, Esq., Deputy Commissioner, Chittagong Hill Tracts,
To—The Commissioner of the Chittagong Division.

I HAVE the honour to submit herewith the report and accounts in duplicate of the Road Fund Department of this district for the year 1887-88.

The survey operations on the Ruma and Rangamati road were resumed in the middle of November. At the first start 40 men of the coolie corps were sent to Pyramid Hill to work under the Supervisor in charge of the survey. It turned out, however, that the men could not stand the climate so early in the season, and there was much sickness resulting in three deaths. Consequently the officer in command at Ruma recalled these men to Ruma, and arrangements were immediately made for 40 Bengali coolies to proceed to Pyramid Hill to do the work of trace cutting under the Supervisor. The Supervisor was also supplied with 30 Mugh coolies for jungle-clearing. The work was in fair progress when the report of the murder of Lieutenant Stewart and party created a panic among the coolies, and it was with great difficulty that they were kept from running away. Ultimately the news of the Chaima raid put a stop to all work and the coolies went away to their homes. Endeavours were, however, made subsequently to organise labor, but it was ineffectual; so out of four to five months of the working season there was work for a little over two and a half months only, i.e. December and January and a part of February, and hence progress during the year has been very slow.

2. Two military survey parties, viz. one consisting of Captain Shakespear, Lieutenant Baird and one European soldier, and the other consisting of Lieutenant Stewart and two European soldiers, commenced survey operations in the beginning of January, the former party starting from Demagri towards Oipoom, and the latter starting from Rangamati towards Saichal. But owing to the sad occurrence near the Belaisurry tong the first party was recalled and all survey operations consequently stopped. The first party succeeded in completing the survey for a distance of about 20 miles along the Oipoom, and the second party about the same distance towards the Saichal.

3. The construction of the portion of the road between Politye and Pyramid Hill was also taken in hand from the beginning of December with a large number of coolies (150) under a contractor who succeeded in completing nearly six miles of the road within two months. But unfortunately the Kukee scare put a stop to further progress.

4. The necessity for a cart road from Peskisurah to Upper Burkal by the left bank of the river has been felt for a long time. An endeavour was made this year and proved successful. The earthwork of the entire length of one mile and 3,500 feet was executed. The bridging of nullahs or constructing causeways could not be done for want of both money and labour.

5. *Repairs.*—All existing roads in the district were maintained chiefly by clearing jungle and constructing or repairing temporary bridges over nullahs, these works were all executed by contract.

No. 704G.M.—VII-16, dated Chittagong, the 19th July 1888.

Memo. by—D. R. LYALL, Esq., Commissioner of the Chittagong Division.

COPY, with duplicate copy of the accounts, submitted to the Secretary to the Government of Bengal, Public Works Department.

The year shows very little real work. The main cause was the scare caused by the raids. The difficulties are necessarily very great as not only has the labour to be got, but the men working have to be fed, and it was in this there was to some extent a failure.

I hope for better progress this year.

G. H. SIMMONS, Traffic Manager.

Rules framed by the Local Board of Madaripur, under section 32 of the Local Self-Government Act, and confirmed by the Lieutenant-Governor of Bengal.

CLAUSE (a).—*Meetings.*

1. If the Chairman is temporarily absent from his duties, or if the office of Chairman is temporarily vacant, the duties of the Chairman under these rules shall be performed by the Vice-Chairman.
2. Meeting shall be either ordinary or special.
3. An ordinary meeting of the Local Board shall be held on the first Saturday of every month after sunset; provided that, if the first Saturday of any month falls on a gazetted holiday, or if for any other reason it is deemed inconvenient, the Chairman may fix another day and hour for the ordinary meeting of the Board.
4. A special meeting of the Local Board may be called at any time by the Chairman. The Chairman shall be bound to call a special meeting on a requisition signed by one-fourth of the total number of members.
5. The subjects referred to in rule 65 of Part IV of the General Rules, and in section 29 of the Act, shall be dealt with at special meeting only.
6. All other subjects which come within the province of the Board may be dealt with at either ordinary or special meetings.
7. Meetings shall ordinarily be held at the office of the Local Board; provided that in any special case it may be held at such other place as the Chairman may determine.
8. The notice under rule 67 of the General Rules shall be forwarded to each member with a copy of the list of business to be transacted by post or by such other method as may be convenient; provided that a vernacular translation of the same shall be supplied to any member who does not understand English, and provided that, if a local newspaper be published at the head-quarters of the Local Board, the Board, by a resolution duly passed, may decide that the publication of such notice in the newspaper in question shall be sufficient.
9. Notices by motions, accompanied by verbatim drafts, must be sent to the Chairman, or, in case of there being a Secretary, to the Secretary, in time to be included in the list of business for next meeting. Notices received too late shall be inserted in the list of business of the next succeeding meeting.
10. A notice book shall be kept by the clerk, but when the Board has no clerk, by the Vice-Chairman of the Board, in which all notices of motions shall be entered. All such notices shall be stated and numbered as received by the Vice-Chairman.

Adjourned meetings.

11. An adjourned meeting is not competent to transact any business save that which the original meeting left unfinished.
12. An adjourned meeting, being merely a continuation of the original meeting, does not require any fresh notice.

CONDUCT OF PROCEEDINGS AT MEETINGS, &c.

CLAUSE—(b)—*Order of business.*

13. At ordinary meetings, the business shall be conducted in the following order:—
 - (a). The minutes of the last ordinary meeting, and of any special meeting held since, shall be read, and, if approved as correctly entered, shall be signed by the Chairman of such meeting.
 - (b). Business postponed from the last ordinary meeting shall be considered.
 - (c). A progress report of works shall be laid before the Board.
 - (d). Letters of the District Board shall be read and accounts and statements, and all plans, reports, and estimates, together with all applications and other business set down in the notice paper, shall be considered and passed.

(e). Motions of which due notice has been given to be discussed.

14. At a special meeting, only the business for which the meeting was called shall be considered; provided that, with the consent of the majority of the members present, any other business may be considered.

15. In the event of any objection being raised to the manner in which any resolution has been recorded, the Chairman shall decide the question after reference to the original draft of the resolution; and if he finds the minute to be inaccurate, shall make the necessary correction in the minute book.

16. Unless by permission of the majority of the members, all subjects shall be discussed in the order in which they appear in the notice paper.

Of motions and amendments.

17. Every motion and amendment duly moved must be seconded, and until seconded no debate thereon can take place.

18. Every motion and amendment, after being reduced to writing under rule 74 of the General Rules shall be signed by the proposer and seconder before being put to the vote.

19. Every amendment shall be so worded as to be capable of making an intelligible sentence either alone or in its proper place in an original motion, as the case may be; provided that no amendment can merely negative the original motion.

20. After a motion has been moved and seconded, an amendment may be moved at any stage of the debate thereon.

21. On the discussion being concluded, in the event of several amendments having been proposed, the President shall put the last amendment to the vote first; if it is negatived, he shall put the last preceding amendment; and lastly the first amendment; and if all the amendments are lost, the original proposition shall be put to the vote.

22. When a motion or an amendment has been put and been declared by the President to be duly carried, no further proposals for amending the motion or amendment can be entertained.

Of the right to speak.

23. Every member shall ordinarily stand when addressing the meeting, provided that the Chairman may for any reason permit any member to sit while so doing.

24. The member who first addressed the meeting shall be entitled to be heard first, and should more than one member rise to address the meeting at the same time, the order of precedence shall be determined by the President.

25. Any member shall be at liberty to call the attention of the President to a point of order, even when a member is speaking. On a point of order being raised, the member addressing the meeting shall resume his seat until the question has been decided by the President. After the decision of the President, the same point of order cannot be raised again. Except as provided by this rule, no member shall interrupt a speaker in possession of the meeting.

26. Except as provided in the last preceding rule, no member shall speak except to move or second a motion or amendment, or to support or oppose a motion or amendment which has been duly moved and seconded.

27. A speaker who has exhausted his right to speak on an original motion, may speak on any amendment being moved, as that raises a new question.

28. The mover of a motion or amendment shall in all cases have a right of reply, but otherwise no member shall speak more than once on the same motion or amendment, unless in explanation of some part of his original speech.

Miscellaneous.

29. Unless more than one-half of the members of the Board consent by signing a requisition, no subject once finally disposed of can be considered within six months.

30. When any business, of which notice has not been given, is considered at a meeting, the decision recorded or resolution adopted at such meeting shall be of no effect unless and until confirmed at the next succeeding ordinary meeting, or at a special meeting called expressly for this purpose.

31. When a motion or amendment is put to the vote, the President or Secretary shall record against it, first, the names of members voting for it, and then names of those voting against it.

32. Voting by proxy is prohibited, and no member may vote upon any motion or amendment unless he be present in person at the time when it is put to the vote.

Of protests in dissents.

33. Protest must be limited to a concise and definite statement of the motives which prompted the votes of members who voted in the minority on a given question.

34. Protests must be handed to the Chairman before the conclusion of the meeting at which the resolution protested against was passed.

35. Protests duly made shall be appended to and published with the minutes.

Of adjournments.

36. It shall be competent to any member to move the adjournment of the debate or of the meeting in a speech not exceeding five minutes in duration.

37. When a motion for the adjournment of the meeting or of a debate is made, it shall be seconded, without a speech, and put by the Chairman to the vote without debate or amendment.

38. No motion for the adjournment of the meeting or of a debate shall be admissible which proposes an adjournment beyond the next ordinary meeting.

CLAUSE (c).—The custody of common seal, and the purposes for which it shall be used.

39. (Not confirmed by the Lieutenant-Governor of Bengal.)

40. (Ditto ditto ditto.)

CLAUSE (d).—Division of duties among the members of the Local Board.

41. The Local Board may from time to time appoint, out of its members, such and so many Committees either of general or special nature, and consisting of such number of persons as they think fit for any purposes which, in the opinion of the Board, can be conveniently regulated and managed by means of such Committees; but the acts of every such Committee shall be submitted to the Board for their approval.

42. The members of the General Committee shall hold office for one year only, but shall be eligible for re-appointment.

43. Save in case of illness, a member of a General Committee who, without the previous permission of the Board, shall fail to attend six consecutive meetings of such Committee, shall thereby cease to be a member, and the Committee shall apply to the Board to appoint another member in his place.

44. The Local Board may from time to time delegate to one or more of its members the duty of inspecting any work which is being carried out under its orders.

Proceedings of Committees.

45. A Committee may meet and adjourn as it thinks proper.
46. The quorum of a Committee shall be three members.
47. A Committee may elect a Chairman of its meeting.
48. If no Chairman is elected, or if the Chairman is not present at the time for holding any meeting, the members present shall choose one of their members to be Chairman.
49. Every question at a meeting shall be determined by a majority of the votes of the members present and voting on that question.
50. In case of an equal division of votes, the Chairman shall have a second or casting vote.

CLAUSE (e).—Powers of Chairman.

51. The Chairman of the Local Board is empowered to enter into contracts relating to works and expenditure sanctioned by the Board in respect of sums or involving values not exceeding Rs. 200. Exceeding this amount up to Rs. 500 the contract shall be made by the Chairman and Vice-Chairman, and in absence of Vice-Chairman by the Chairman and a member of the Board.

52. The general superintendence and control of the establishment maintained by the District Board shall vest in and be exercised by the Chairman.

53. The powers of the Vice-Chairman shall be such as the Chairman may by an order in writing delegate to him from time to time. Such powers may at any time be withdrawn or modified by an order similarly made provided that nothing done by the Vice-Chairman, with the express or implied consent of the Chairman, shall be invalid for want of such written order. It shall be the duty of the Vice-Chairman to supply all information to the members concerning any matter or transaction of the Board.

CLAUSE (f).—The persons by whom receipts shall be granted for money received under the Act.

54. Receipts for money received under the Act shall be signed by the Chairman, Vice-Chairman, or, when a Secretary has been appointed, by the Secretary of the Board.

CLAUSE (g).—The duties, appointments, leave, suspension and removal of the Officers and servants of the Board.

55. Subject to the scale of establishment laid down by the District Board, the Chairman may appoint and dismiss all officers whose salary is less than Rs. 10 per month, provided that all such appointments and dismissals shall be reported to the next meeting for confirmation of the Board.

56. Except as otherwise provided in the Act or General Rules, the appointment and dismissal of officers and servants of the Board employed on a salary of Rs. 10 or upwards, shall rest with the Local Board.

57. Except as otherwise provided in the General Rules, the Chairman may suspend any officer or servant of the Board for misconduct or incompetence, provided that the matter shall be laid before the Board for orders at their next ordinary meeting.

58. Casual leave for a period not exceeding seven days at any one time, or 15 days in 12 months, and leave on medical certificate for any period not exceeding a month, may be granted by the Chairman with or without pay, and with or without the appointment of a substitute, to any officer or servant of the Board. All other leave must be granted by the Board at a meeting.

60. The Board shall have power to inflict for neglect of duty a fine not exceeding one month's pay upon any officer or servant employed by them. This power shall be exercised by the Chairman; provided that the orders of the Chairman inflicting a fine on an officer drawing Rs. 10 per mensem or upwards shall be submitted for the confirmation of the Board at its next ordinary meeting.

Notice.

THE right of working the copper mines at Chunabatti, in the sub-division of Alipur, Western Dooars, will be put up to auction on 15th March 1889, in the Court of the Sub-divisional Officer of Alipur. Settlement will be made with the highest bidder for five years, commencing from 1st April 1889. Chunabatti is situated two miles west of Buxa in the Western Dooars. Plenty of labour, firewood and good water is available on the spot. There is a good road, and the mines can be worked with little difficulty. It is believed that any person or company who may work the mines will obtain a good profit. Sixteen seers of copper are said to be obtainable from each bazar maund of ore. A specimen of the copper can be seen at the Office of the Secretary to the Chamber of Commerce, Calcutta. Any further information will be supplied by the undersigned.
